

EDENXVERSE VR

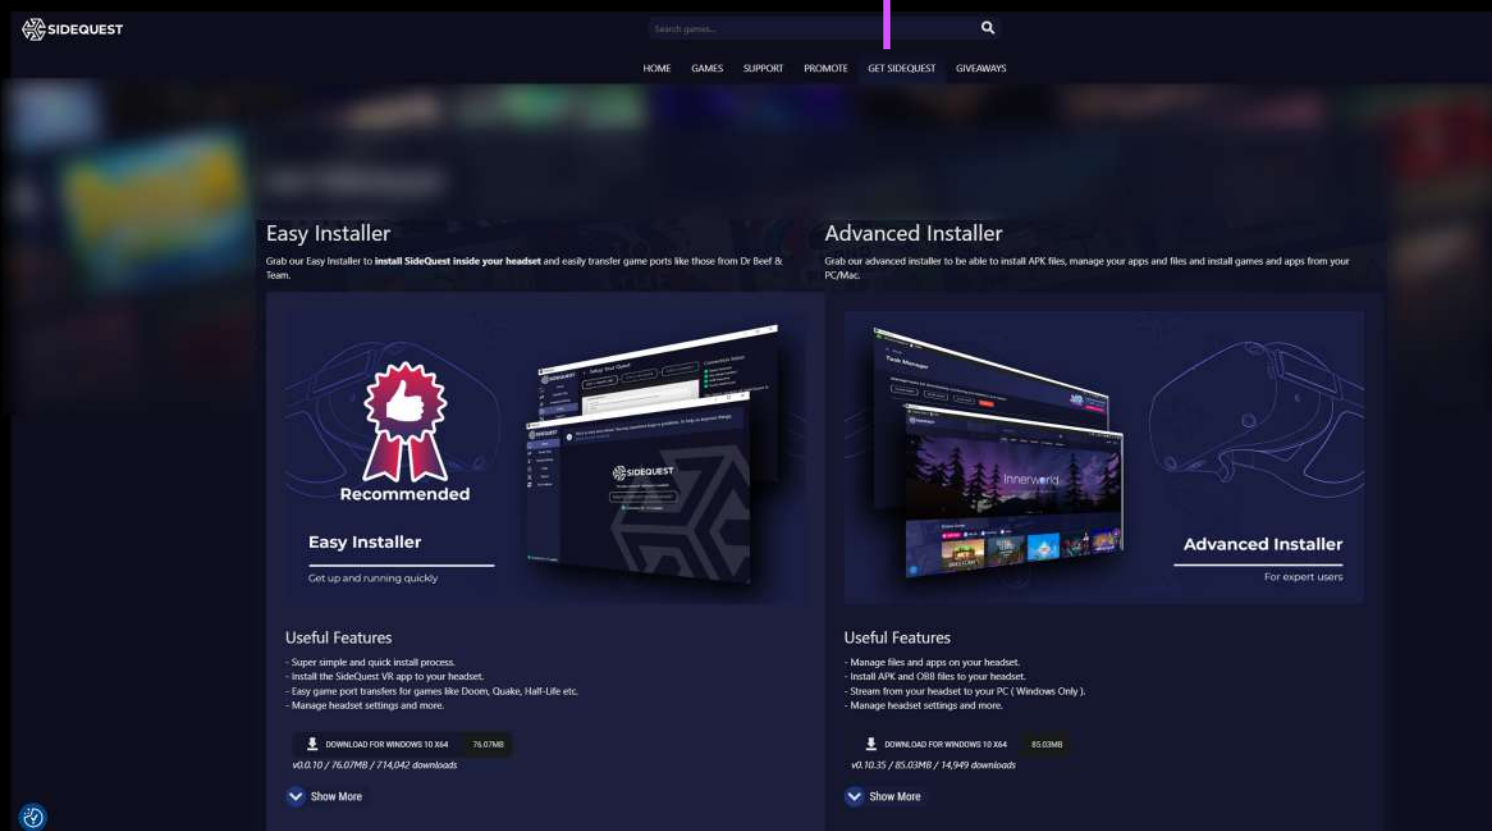

HOW TO PURCHASE

- 1 Sign up at **PATREON** - (patreon.com)
- 2 Start your EdenXverse VR membership **HERE** (patreon.com/EdenXverseVR/membership)
- 3 Click this **LINK** to pair your Patreon and EdenXverse VR accounts.
- Press "Allow" to generate your code.
- 4 Get your code and login EdenXverse VR

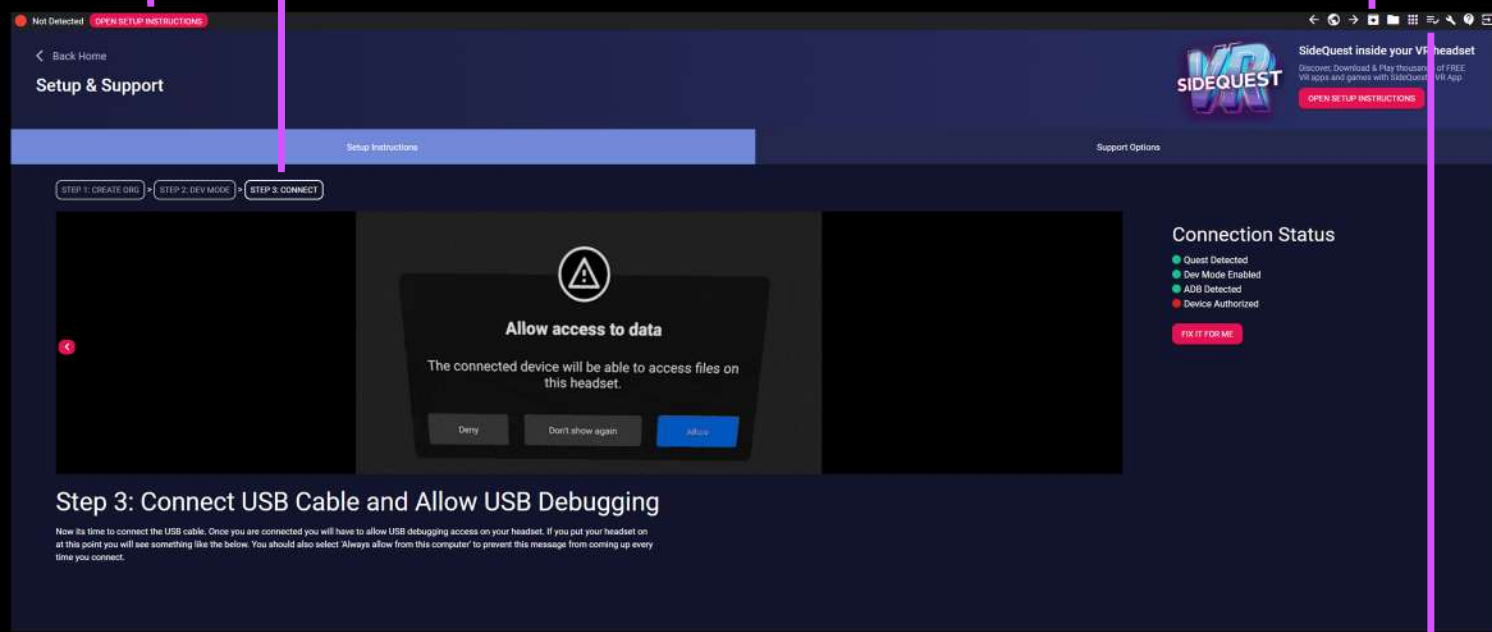

HOW TO INSTALL

- 1 Download the **EdenXverse VR** .apk from this **LINK**
- 2 Download **SideQuest** from www.sidequestvr.com and install it.

- 3 Connect your VR Headset to **SideQuest**. If you're having trouble, please refer to the "Setup Instructions" located at the top left of **SideQuest** application. Follow the instructions in the "Step3: Connect" tab.
- 4 Once your VR Headset is connected to **SideQuest**, install **EdenXverse VR** by clicking on the "install APK file from folder on computer" button located at the top right. Locate the downloaded .apk file on your computer and select it.

- 5 After the installation is completed (you can check it from "Running Tasks" on the top right), you're ready to go!
- 6 Put on your headset and navigate to the "App Library".
- 7 Filter your applications by selecting "Unknown Sources".
- 8 You can now find EdenXverse VR in the list.

- 9 Start EdenXverse and type in your key. Congratulations! You're now ready play the game
